Power listed is maximum power conducted. Professional or OEM installation required.  
Device operates with specific antennas in MIMO configurations as described in this filing.  
The antennas use for this device must be installed to provide a separation distance of at least 21cm from all persons and must not transmit simultaneously with any other antenna or transmitter, except in accordance with FCC multi-transmitter product procedures. Users must be provided with installation instructions and transmitter operating conditions for satisfying RF exposure compliance. This device has 20, and 40 MHz bandwidth modes.

CC: This device is certified pursuant to two different Part 15 rules sections.

MO: This Multiple Input Multiple Output (MIMO) device was evaluated for multiple transmitted signals as indicated in the filing.
